

Dear Math Department Chairperson or Mathematics Team Coach:

Kirkwood High School and Webster University are hosting a Math League (ML) tournament on Friday, October 16. This contest is being directed by Olivia Rea of Kirkwood High School and will be held on the Webster University Campus in Webster Groves. A map and address is attached to this letter. Your school is invited to challenge its students to participate in this exciting event. Tests will be provided by ML and a complete description of the events is available at the website listed below. The registration fee is \$10.00 per student, and all students are encouraged to compete in any or all events. You will need to make arrangements to pay Sonya Land at MCTM in advance (preferred) or bring payment to the competition.

Here is the link for registration for the October 16th Math Competition at Webster University.

<http://mathleague.org/register0.php?event=14077>

This tournament is part of a series of contests sponsored by ML across the United States, and MCTM in Missouri. Qualifiers will be invited to compete at the state meet. Cutoff scores for state qualification are included in the contest descriptions, and qualifiers will be mailed details in early April. For more information about ML, check out the ML website at <http://www.mathleague.org>.

The schedule for October 16th will be approximately as follows:

8:00 – 8:30 am	Registration in the East Academic Building
8:30 – 8:45 am	Go over testing procedures
8:45 – 9:15 am	Team Test – 20 minutes; calculators allowed
9:20 – 10:20 am	Target Round – individual; 40 minutes total; calculators allowed
10:25 – 11:25 am	Sprint Round – individual; 60 minutes; calculators not allowed
11:25 am – 11:50 pm	Relay Round – five 3-minute relays; calculators not allowed
12:20 or ASAP	Awards Ceremony

Each school is required to send at least one coach/sponsor to assist in scoring or proctoring while the students are testing. Schools bringing more than 18 students should bring one sponsor for each 18 students. Please let us know the names of coach/sponsors in advance.

Entry deadline is October 12th. Entry fees can be paid on the day of the contest and small changes can be made to the student information on that day. However, it is requested that most names and grades of participants be entered by October 12 if possible, at the link above. (Feel free to e-mail changes throughout the week prior to the contest.) Please make all checks payable to: MCTM.

Parking information will be sent to those participating in the contest approximately one week prior to the contest. Please note that the contest will be given on paper, so students will not need their devices.

If you have any questions, please e-mail Olivia Rea
